## ARCHITECTURAL DRAFTER

South Jakarta-Indonesia | +6285523692189 | [Dani19@gmail.com](mailto:Dani19@gmail.com)

---

### PROFILE

I am a graduate of Vocational High School 3 Kuningan majoring in Architectural Building Modeling Design. I was born in Kuningan, 19 February 2003. I am known as an enthusiastic, disciplined, optimistic, confident and hardworking person. I can use Autodesk AutoCAD, 3D SketchUp, V-ray, and Enscape software. I have a strong will to learn, ready to work under pressure and ready to follow company regulations.

---
